Document: EBSA-2010-0050-DRAFT-6915

Comment on FR Doc # 2015-08831

Submitter Information

Name: Wendell Nichols

General Comment

If this proposed rule affects the ability of IRA account holder's to sell and buy call options, then removed any such restrictions from the proposed rule. Selling covered call options is a safe way to generate additional value to these accounts. Selling covered calls is a proper and safe use of options trading in a IRA account. Do not take this important financial tool away from IRA account holders.
